Governor

July 23, 2007

On behalf of the citizens of Colorado, I would like to extend my support to Team Highpoint in their pursuit of furthering global awareness.

Team Highpoint is making a difference in the global community. The Team strives to increase awareness by communicating issues of importance to both local and international audiences. As a result of these efforts, many underprivileged persons have been granted opportunities to prosper. Team Highpoint's mission to summit the highest peaks in each of the 50 states is a remarkable task, a task that will inspire others to pursue larger concerns and make a difference in our world.

Again, congratulations on your mission and for supporting global awareness of honorable causes. You have my best wishes now, and in the years to come.

Sincerely,

Bill Ritter, Jr.
Governor
